Grenada Hospital - Tuesday, Apr. 19
As Dictated To Mabel . . .

Whyte asked me to write a few locals for him, this week, and we are hoping he will be back on the job real soon. Whyte is still in Grenada Hospital under the excellent care of Dr. Arent and his nurses, the dietitian, Mrs. Fisher, and the "walking boss" Mrs. Etta Scott. Mrs. Scott was as Whyte expressed it, "plum tickled" over her new title "the walking boss" and said she guessed that name would stick to her.

Visitors on Friday included Arthur Dixon from Providence neighborhood, who was at the hospital to see his granddaughter who had her tonsils removed.

The first thing Mr. Wallace Lamon said was "get up from there sir", then stayed for a visit and left with good wishes for Whyte's recovery.

Mrs. Fisher, the dietitian who so kindly grinds his meat and cooks the prunes without adding sugar and makes everyone feel that she will fix food just the way they want it, came by to say hello.

While at the office, Ellett Lawrence of Greenwood called and inquired how "Brother" is. He said that Edgar Lawrence, just returned from Mayo Clinic is slightly improved. Edgar has severe headaches. The Lawrences referred to are the sons of the late Mr. Otis Lawrence, Editor of the old Grenada Sentinel.

Mr. Ed Underwood came by to say he hoped "the old rascal" would soon be back on the job, because he misses him.

Dr. L. L. Rayford, colored doctor inquired of the editor.

Mrs. Humphrey, bookkeeper at Grenada Hardware Co., who visited her sick mother, Mrs. Greenhaw, quietly came in and wished us a speedy recovery.

Little boys, one of our favorite boys, came in to see us, as did John Ed Murray another good young friend.

Tommie and Melba Darras came by after closing the cafe. Tommie cleaned the Whitaker pipe, and now has given the editor a new one.

This column would indeed be incomplete if we omitted the name of Betty Norris, student nurse who is not only a good nurse but easy on old eyes.

Saturday morning Hemphill Abel came in with the first flowers, lovely lavender chrysanthemums and pink glads. Thanks to him and his good wife for such a pretty gift.

From what we hear, you had better take an umbrella with you if you attend a luncheon or a banquet at the City Auditorium during a rain storm.

Work is progressing nicely on the new bus station being built by City Lumber Co. for Continental Trailways, on property owned by Junius Townes and located on Hwy 51. Mr. and Mrs. Tommy Rose Sr. will continue to operate the station and cafe and expect to be in the new quarters by June 1st.

Everyone who ever donated a dime or a dollar or more, to the National Foundation for Infantile Paralysis, has the right not only to be proud but also grateful to the research authorities and especially to Dr. Jonas E. Salk for the preventative serum now being administered to American children. To the millions of good citizens who patiently conducted the Fund Drives, year after year, a great big "thank you" echoes from hills and dells. Every parent must now cooperate by giving shots to the children as soon as possible.

Albert Clark, supervisor of the pint-size beat states that the roads in his beat are full of cars from all over the state, people going fishing and also having a good time catching long strings of nice fish. Water is high, roads open and both white and colored are having a fine time.

On Friday we saw five cars filled with colored folks and fishing poles, headed north on 51.

Hope the editor will hurry up and well so we can get out on the lake. Cecil Jacks my old war buddy who

Elected To Hall Of Fame At John Rundle High School

Miss Mimi Williams, daughter of Mrs. Mildred Williams, 1071 Mound Street, has been elected to the John Rundle High School Hall of Fame for the month of March.

Mimi, prior to moving to Grenada, was a popular student at Batesville High School and was elected Football Queen at Homecoming during her freshman year.

At the beginning of her sophomore year she moved to Grenada and during that year she was a member of the Y-Teens, Latin Club and Glee Club. She also attended the District Y-Teen Conference and the District Glee Club Festival.

As a junior Mimi was made Worship Chairman of the Y-Teen Club and attended the District and Mid-South Y-Teen Conferences. She was a class representative on the Chapel Committee and a member of the Glee Club. She again attended the District Glee Club Festival.

This year Mimi is a typist on the Annual Staff and treasurer of the Y-Teen Club. She also attended the Y-Teen District Conference held here in Grenada. During the Homecoming Mimi was elected as one of the Homecoming maids to the Queen, Miss Mary Lawrence. Mimi is an active member of the First Baptist Church, having held various offices in Training Union and Sunday School.

Next year Mimi plans to attend college but hasn't decided where she will enroll.

Sen. DeMouille Announces For Public Service Commissioner

State Senator Ed. DeMouille of Okolona, champion of public power and expansion of Mississippi's rural telephone service, has announced as a candidate for Northern District Public Service Commissioner in the August 2nd Democratic primary.

A former business man, Senator DeMouille is now farming near Okolona in Chickasaw County where he was born.

Senator DeMouille is completing his first term in the Senate, and previously was a member of the House of Representatives.

In the Senate, he has headed the important committee on railroad and franchises which deals with public service corporations under jurisdiction of the Public Service Commission. He is Vice Chairman of Conservation of Natural Resources, a member of the Finance and Agricultural committees.

He was author of a bill which was instrumental in the present expansion of rural telephones. He has been a champion of the Tennessee Valley Authority, Rural Electrification Association, and has led fights against measures which would endanger their expansion and development.

"I favor telephone rates within the income of the people and range of service offered them", he said.

At the recent special legislative session, Senator DeMouille authorized a bill to permit northeast Mississippi milk producers to increase their truck load limits in order to bring larger

Expenditures Of Christmas Seal Fund Reported

Pilot Club of Grenada, sponsors of the 1934 Christmas Seal Sale which provides funds for tuberculosis education, research, x-ray and other work pertaining to tuberculars and their needs, submits the following report of the recent Christmas Seal sale and the purposes for which the money is used.

The people of Grenada and Grenada County very generously contributed the sum of \$1,235.82 to the Christmas Seal Sale which Pilots acknowledge with gratefulness.

Mary Ella Collins, chairman of the Seal Sale and president of Grenada Pilot Club, and Miss Edith Bell, treasurer of the T. B. Association, also newly elected Pilot Club president, issue the report as follows:

Since October 28, 1934, when Pilot Club assumed sponsorship, the sum of \$101.16 has been given to Grenada County Health Department for the purchase of x-ray film for tuberculars. X-rays have been made of 50 White-patients and 42 Colored patients.

The sum of \$16.50 was paid for transportation of two Colored patients to Sanatorium, Miss. \$49.50 for postage during the Seal Sale, \$57.64 for postage material supplied for patients from the State T. B. Association by the drive.

A check for \$345.93, which was 47% of the total amount collected, was sent to the Mississippi T. B. Association, a part of the "one-half cent" fund.

To the National Congress of \$17.21 has been made for the benefit of the National Tuberculosis Association.

To the Mississippi Tuberculosis Association \$12.40 has been made for the benefit of the Mississippi Tuberculosis Association.

Since November 1, 1934, and two Colored patients have been treated.

Senator DeMouille has been a consistent supporter of increased state appropriations for old age and other welfare assistance programs.

He is 46 years of age, married, and the father of two children.

He attended the Mississippi Real Estate Academy, is a deacon in the First Presbyterian Church at Okolona, a Mason, Shriner, and a member of the Mississippi Farm Bureau and the Okolona Chamber of Commerce.

"With my experience I feel I am qualified to serve on the Public Service Commission," Senator DeMouille said. "If I am elected, the people of my district can be assured that I will stand by them and support those matters which are in their public interest."

"My service as chairman of the public service corporations committee in the Senate has given me the opportunity to make a close study of the operations of those concerns, and I am fully cognizant of their problems, as well as how they affect my fellow citizens."

"I can be counted on to see that nothing to the detriment of our great TVA area is done through the Public Service Commission, and that I will continue my efforts to see that telephone service is placed within reach of every farm home in the great northern area of our state."

"I have stood by my people in protecting their interests and am confident they will so acknowledge by voting for me for this important office which is so close to them, handling programs vitally affecting their way of life."

"A vote for me can well be considered a vote for the protection of our great area and for its continued development as the Mississippi," Senator DeMouille said.

Godly Nations

Lesson for April 24, 1958

WE MAY as well admit that no such thing as a "godly nation" has ever been seen—not if you take the word "godly" at its full meaning. A godly nation, 100 per cent, would be one where every citizen kept God's commands, where every act of Congress (or of Parliament, of decree of king) would be such as God would fully approve. For the matter of that, a hundred-per cent godly individual is also unheard of.

God on Our Side?

We always like to think, especially when we are at war, cold war, with other nations, that God is on our side. We like to think that we are God's people, that the other side, the enemy, is not. The truth of the business is that no nation is either completely right or completely wrong, and no nation fully carries out God's will and no nations wholly obey it. No nation in the world today is composed entirely of Christians, no nation in the world today is without Christians. But having said all this, I can still say truly that God is on the side of some people and more than he is on the side of others. In the Old Testament we have a good example of a nation that made this mistake of supposing God would be for them ever they did, and they were fully dismayed when they learned that they could lose and generally "eat bitter." Many Jews thought God would get them down when such happened; but the prophet said better. Azariah, a prophet

in King Asa's time, put the truth in a nutshell. "The Lord is with you while you are with him," he said.

Leadership in the Church

King Asa's times, and the times of President Eisenhower and Queen Elizabeth, are not so very far apart after all. What was needed for a godly nation in the days of Asa? The need that the prophet mentions first is "teaching priests." There were plenty of priests who went through the liturgies and made sacrifices, but what the nation needed was teaching priests, religious leaders who could teach the law of God that is to say, priests who could show the people what religion meant in daily living, in dealings between man and man. So long as religion stays inside the church, so long as religion concerns itself only with the Other World, so long as religion tries to confine itself to what is exclusively spiritual, it will not be Biblical, and it will be powerless to build a godly nation. An officer in a young people's church group once told the writer: "Our bunch really means business. This year we raised the money to extend the chancel two feet."—and that was all they did! One suspects that there was something missing in the parson's sermons, if those young people got the idea that the business of religion mainly has to do with how long or short the chancel is. God's law is not a law for Sunday mornings only. But until and unless there are teaching priests who take the lead in showing us how we can apply God's law—and above all the law of Love—to our life as a nation, we shall be godly only on Sunday mornings, if ever. The most church-going city in the south was for years also the city with the highest murder rate; the place lacked teaching priests.

Leadership in the Nation

Preachers and churches will have an uphill time of it, at the best, even when they do see and work for the doing of God's will in everyday social and political and business life. There is too much organized and unorganized selfishness abroad to give the God of Love much chance. So in our time, as in King Asa's long ago, there is need for leaders outside the pulpit. In those days it was the king himself who took the lead. We have no kings in America but we do have leaders, all the way from village mayors up to Congressmen, senators, supreme court justices and the President.

Tempting Treat or Company Dessert

Delectable fudge squares—quick, easy, and so good!

These Southern Fudge Squares will win applause from youngsters, the men folk and fussy aunts alike. Made thick or thin, they're equally delicious—vary the topping to suit your fancy!

SOUTHERN FUDGE SQUARES

1/2 cup shortening
1/2 cup sugar
1/2 cup KARO Syrup, Blue Label
1 egg, beaten
1 teaspoon vanilla
1 square unsweetened chocolate, melted
1 cup sifted all-purpose flour
1/2 teaspoon salt
1 teaspoon baking soda
3/4 cup sour milk

Cream shortening, gradually add sugar and beat until light and fluffy. Add KARO, beat well. Add egg, vanilla and melted chocolate. Add sifted dry ingredients alternately with sour milk, stirring just until smooth after each addition. Pour into well-greased oblong pan (12 x 7 x 2 inches) or 2 8-inch square pans. Bake in moderate oven (375° F.) about 25 minutes. When cool, spread with your favorite chocolate butter-cream or fudge frosting and cut into 2-inch squares. Makes about 18 squares.

Note: For thick cake-like squares, bake in 8-inch square cake pan in moderate oven (350° F.) about 45 minutes.

Want to feel like a pilot feels?

Today's the day to "Join The Test Pilot Club" and see what a thrill you get when you try Variable Pitch Dynaflo®

We're not kidding.

When you try a '55 Buick with Variable Pitch Dynaflo, you'll feel like a pilot does when he heads his plane down a runway for take-off.

For you, in the driver's seat, are doing what that pilot does—you're changing the pitch of your propellers—one way for instant response on getaway—another way for better gas mileage in cruising.

Your propellers are whirling in oil, deep inside the Dynaflo unit. When you press the pedal in the normal way, you hold those propellers in their economy angle—and you enjoy plenty more miles from your gasoline.

But when you want instant acceleration—for quick getaway, or for a sudden safety-surge of emergency power—you just press the pedal way down, and—with absolute smoothness—you get

the action you want, and split-second quick.

It's the thrill that's the talk of the industry—performance unlike anything you have ever known before on the ground.

And so many folks have been asking to try it that we Buick dealers across America have set up April as "Test Pilot Club" Month. All it takes to join the "Club" is a test drive at the wheel of a new Buick. That's all.

So we cordially invite you to win your "wings"—to try the spectacular performance of Variable Pitch Dynaflo—and to feel the mighty V8 power that puts the whip to these gorgeous new Buick beauties. Drop in this week.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

HOTTEST BUICK IN HISTORY

No wonder you see so many '55 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" of America's best sellers.

Delectable fudge squares—quick, easy, and so good!

These Southern Fudge Squares will win applause from youngsters, the men folk and fussy aunts alike. Made thick or thin, they're equally delicious—vary the topping to suit your fancy!

SOUTHERN FUDGE SQUARES

1/2 cup shortening
1/2 cup sugar
1/2 cup KARO Syrup, Blue Label
1 egg, beaten
1 teaspoon vanilla
1 square unsweetened chocolate, melted
1 cup sifted all-purpose flour
1/2 teaspoon salt
1 teaspoon baking soda
3/4 cup sour milk

Cream shortening, gradually add sugar and beat until light and fluffy. Add KARO, beat well. Add egg, vanilla and melted chocolate. Add sifted dry ingredients alternately with sour milk, stirring just until smooth after each addition. Pour into well-greased oblong pan (12 x 7 x 2 inches) or 2 8-inch square pans. Bake in moderate oven (375° F.) about 25 minutes. When cool, spread with your favorite chocolate butter-cream or fudge frosting and cut into 2-inch squares. Makes about 18 squares.

Note: For thick cake-like squares, bake in 8-inch square cake pan in moderate oven (350° F.) about 45 minutes.

"Farm of the Week" — Last Week

Want to feel like a pilot feels?

Today's the day to "Join The Test Pilot Club" and see what a thrill you get when you try Variable Pitch Dynaflo®

We're not kidding.

When you try a '55 Buick with Variable Pitch Dynaflo, you'll feel like a pilot does when he heads his plane down a runway for take-off.

For you, in the driver's seat, are doing what that pilot does—you're changing the pitch of your propellers—one way for instant response on getaway—another way for better gas mileage in cruising.

Your propellers are whirling in oil, deep inside the Dynaflo unit. When you press the pedal in the normal way, you hold those propellers in their economy angle—and you enjoy plenty more miles from your gasoline.

But when you want instant acceleration—for quick getaway, or for a sudden safety-surge of emergency power—you just press the pedal way down, and—with absolute smoothness—you get

the action you want, and split-second quick.

It's the thrill that's the talk of the industry—performance unlike anything you have ever known before on the ground.

And so many folks have been asking to try it that we Buick dealers across America have set up April as "Test Pilot Club" Month. All it takes to join the "Club" is a test drive at the wheel of a new Buick. That's all.

So we cordially invite you to win your "wings"—to try the spectacular performance of Variable Pitch Dynaflo—and to feel the mighty V8 power that puts the whip to these gorgeous new Buick beauties. Drop in this week.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

HOTTEST BUICK IN HISTORY

No wonder you see so many '55 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" of America's best sellers.

Dictated To Mabel . . .

(Continued from Front Page)

writes such nice pieces for the GCW every week dropped in to say hello.

Walter Abel, charter member from Duck Hill, and daddy of subscriber Beulah Abel of Jackson came by to see me and say kind words about my recovery.

Ellett Lawrence, my "brother" from Greenwood came over in his air-conditioned Cadillac and cheered me up by his presence here. His good brother in law, Hiram Wylie, (husband of the former Heard Lawrence of Grenada) accompanied him to Grenada, but Hiram didn't come to the hospital. Ellett said that Heard is off in Washington, D. C. attending a DAR meet.

The editor wishes, right now, to thank the doctors and nurses at Grenada Hospital and all friends for their letters, cards, flowers and visits. They have, as he says, "makes me feel important." — Thank You.

Preacher Felix Sutphin visited with us and spoke words of comfort and his presence made me think more of Jesus and less of blonds.

Mrs. Modie Mitchell, after reading last week's paper was kind enough to send me a bottle of pure-d Garrett snuff, which I can't use now. She then came to see us and we talked about fishing.

Just Cuff, a friend of Sherman and friend of my childhood, came to see me and said that he and Margaret had been married 25 years at the Madison Hotel in New Orleans.

Betty Harville, a nurse at GHS who works in space team at Central Cafe, at present the editors favorite waitress came by and the Editor tried to pass her off to Mrs. Highpockets' Tribble and our Holcomb friend, Nurse Frances Eddison, as his granddaughter. Betty is as the Editor says pretty and easy on old eyes.

The children, Andrew and May and Whyte Jr. are in and out of the room and Mabel is here most of the time. During their absence my nurses are mighty good to me. Betty Norris keeps me clean and rubbed with alcohol. Betty is a cute blond.

You remember the Editor said that Spence Pickle of Beat 4 was showing some boys his announcement for J. P. of Beat Four elsewhere.

Dr. Gaines Cooke, punch hits for the Cadillac Doctor while he is away from his hospital.

Mr. Williams, who mentions my name, that he is a doctor, thanks to some kind of a Cadillac Doctor. Dr. Williams is a doctor. Mrs. Faye Mitchell, Mrs. John Williamson, Miss Burt and Miss Brown, the students, Betty and Mrs. Ferguson and all the other who the "walking boss" Mrs. Scott.

Mrs. Bell, James, life time friend inquired at the door about my health.

Miss Robbie Davis, just back from Hot Springs and known, came to see Mabel and I. P. sister, Mrs. J. P. Fisher, came to Grenada with her for the day. Miss Robbie said that her brother, Roy Davis, and wife were having a wedding for Orleans, Louisiana New Orleans.

Alfred and Max Young, who were as much as the Cadillac Doctor, Doctor Christian, doctor.

Just got the girl to call Mabel. I was a good one.

The Gen. Washington is a great comfort to me, even if it is a big name to the girls.

I don't know what I would do without Mabel, nor do I know what either of us would do without our boy, Andrew.

Julia Talbert's good boiled custard on Tuesday, sure helped me a heap.

Blanche Lickfold Smith of Hardy, our old war buddy of Camp Beauregard days came to see us. Blanche was the friend who found our honeymoon apartment for us at old Mrs. McCraws, bless her.

Dink Thomason brought me a bouquet of white narcissus and a renewal to the GCW. Dink is one of my old est friends - we went to Grenada School together. His little grand daughter was with him.

According to a legal notice from Charlie Worsham, voters of Grenada County MAY have to register again due to the confusion. If in doubt about YOUR voting status, check up at the Circuit Clerk's office at the court house, and ask Charlie or Miss Cornie.

Mr. Gus Chapin, a long time good friend came to see me.

Had a nice card from Beulah Abel Monday morning and on from Mr. and Mrs. Sam Gillon, and the editor said "God Bless You All."

The Editor wishes to say, without bitterness, concerning his last stay at the Veterans Hospital in Jackson. Without doing anything about it they dismissed me from Ward 41 with blood pressure at 210 and blood sugar (I am a diabetic) over 200, and as a result of this condition, I have suffered a light stroke on my left side. I am not bitter, I am concerned for many poor devils who may get the same treatment and won't have a GCW to speak out in.

I am at home now and Mabel and our two strong boys, Andrew and Whyte Jr., also Dorothy arrived home Wednesday from California, and they are going to take good care of me. Nora is cooking good food for us and Dr. Arent is coming to see me when necessary.

Thanks to Mr. and Mrs. Guy Brant come for a beautiful hydrangea plant and their best wishes - and to Rosetta Bloodworth for the best pie I've tasted in a long time.

Glad to see my friend Marshall Perry.

Also Brad Dye.

Thanks to my friend Mellow Marshall for moving our Motorola to set into my bedroom.

Daughter Dorothy just got her from Alabama and will help us on the paper. Thank God Andrew is here, he is a tower of strength to me. Thank God for Mabel, she is a tower of strength. And for May, who is a fine daughter-in-law, a regular Ruth-type of daughter-in-law.

Thanks to Mrs. Arent McElwath for some fresh eggs.

Mr. Frank Jones, kindly and graciously offered to help us at the office or at home, and we appreciate it.

Andrew reports that Mr. and Mrs. Grimes at the Star have been awful nice to him. They are good people.

"Mother Riley" Is Guest Speaker At Lions Club

(By Hugh Ketchum)

Mrs. Joe Willie Riley of Duck Hill, America's most famous Gold Star Mother, related many of her experiences at the regular meeting of the Lions Club Friday. She was introduced by John N. R. Paschal.

Mrs. Riley, who gained nation-wide fame for her experiences in losing her son's grave in a European cemetery without the aid of military sources and with a mix-up in which the Army tried to draft her during World War 2, related a most unusual life to the Lions.

Some newspapers as the "Jinx Woman", Mrs. Riley's life is

packed with fiction-like experiences. She has been involved in two home fires; auto wrecks; bus wrecks; train wreck; and many other near escapes, but never has been seriously injured. Her first experience of national attention was during World War II when a 20-year old man registered as Joe Willie Riley, getting her name from the check he had stolen. The Draft Board in Chicago tried many times to induct Joe Willie Riley, but Mrs. Riley finally proved to the Army that she was not eligible for the draft, and that the error had been made. Later she made news again when she located her son's grave after the military had failed to give her the information over a four-year period. "Mother Riley" is the title of a song written for Mrs. Riley, and a book of her experiences is now being written.

Attorney McDonough Moves To New Albany

It has been announced that by mutual consent the law firm of Lundy & McDonough has been dissolved. Atty. Mitchell M. Lundy will continue practice of law in Grenada and Attorney McDonough has opened office for private practice of law at New Albany.

Southern Bell Telephone Co. Makes Statement

Southern Bell Telephone Company today urges its employees still on strike to return to their jobs and declared that "It has become increasingly clear to the public, and it must now be clear to those still on strike why an uninterrupted service clause is essential to the new contract."

The Full Company Statement

"The public people living on the job fulfilling the trust placed in them by the public and we believe most of them take this responsibility seriously and would like to be back. We urge those remaining on strike to consider whether they are serving their own best interests and those of the public by staying away longer.

"We urge Union officials to stop keeping employees from their jobs by holding out false hopes to them that the Company will finally grant the leaders' unreasonable demands. A liberal proposal is on the bargaining table now, carrying a wage increase and many other contract benefits. Union leaders should not deny telephone workers these benefits any longer.

"The Company's accounting to over \$50 million, would give immediate increases to nine out of ten of our employees. The remaining employees the beginners in the business, would get from one to four increases within 12 months as their experience increases.

"In these five weeks it has become increasingly clear to the public, and it must now be clear to those still on strike, why a uninterrupted service clause is essential to a new contract. The real reason why the new agreement has not been reached before now is the continued refusal of Union

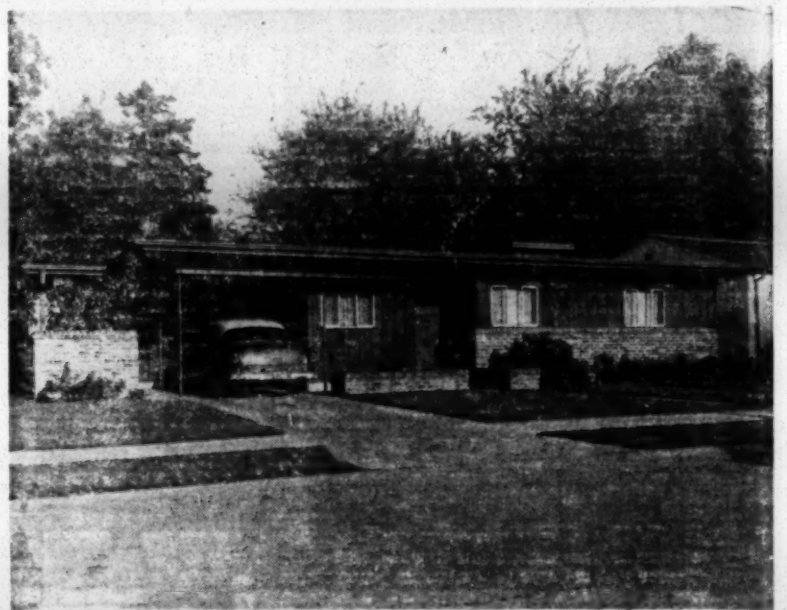

leaders to see what seems obvious to everyone else—that the public must be protected against strikes during the life of the new contract.

Hugh M. Stanfill, Jr., Group Manager says: "The Company guarantees wages and all the many other contract benefits and in return asks the Union to guarantee the only thing they have to offer — that their members will work for the wages and other contract benefits while the agreement is in force."

Arresting new designs and techniques now make it possible for builders to make better homes of wood. For the exterior as shown and for practically every part of the home, wood has certain definite advantages. No material is as flexible. No material fits so perfectly into the concept of functional, advanced design combined with a friendly, comfortable atmosphere. Wood has natural beauty. The sturdiness of metals is avoided. Exceptionally strong and attractive, Southern Pine is particularly well adapted to these modern methods which accent light, attractive, but sturdy pieces. Southern Pine lumber of the same high quality as that shown above is available to home builders throughout this area, a product of the member mills of the Mississippi Pine Lumber Association.

NEW OFFICERS OF THE MISSISSIPPI ECONOMIC COUNCIL

(Delayed From Last Week)

Mr. and Mrs. Max Schiele of Lambert spent the weekend with their parents Mr. and Mrs. Lee Abel and other relatives.

Friends here of Mr. Will Hendrix of Coffeeville Route 2 near Big Creek regret his illness and are interested in his recovery. Mr. Hendrix entered Grenada Hospital Friday for treatment.

King Williams Jr. of Holcomb was the guest last week of Mrs. Bertha Williams and family. He came especially to attend Commencement Exercises at Gore Springs April 8, when his niece Lydia Lee Williams received her diploma.

Martha Ann Worsham and her friend Mary Edna Whitmore, students at Holmes Jr. College and Mr. and Mrs. Winfred Worsham spent the weekend with their parents and friends Mr. and Mrs. Talford Worsham. Other guests in the Worsham home during the weekend were Mr. and Mrs. Shaw Williams of Holcomb.

Mr. and Mrs. Griffin Thomas, their children and Mrs. Coran Huffstatter arrived Saturday from Memphis for a visit in the W. D. Worsham home. The Thomas family returned Sunday afternoon, and Mrs. Huffstatter remained to visit in the home of the following relatives: Talford Junior, Marshall and Boston Worsham, and Mrs. Bessie Martin.

Sunday guests of Mr. and Mrs. Earl Gullen were Mr. and Mrs. L. S. Clark of Greenwood, Mr. and Mrs. K. M. McKee and daughter, Debbie, and Conway Mitchell of Duck Hill.

Mr. and Mrs. Thomas Chamberlain moved March 27th to 7824 Adron in Houston, Texas. Their friends wish for them much happiness in their new home, but regret their leaving the community.

Mr. and Mrs. Roy Chamberlain and family visited Mr. and Mrs. T. W. Cooley and family in Greenwood Sunday.

Jamie Trusty arrived recently from Lackland AFB at San Antonio enroute to Chanute Field, Ill. He is visiting his parents Mr. and Mrs. E. L. Trusty Sr. and other relatives.

Mr. and Mrs. Howard James visited Mr. and Mrs. Noble Stevens and son in Memphis last week.

Mrs. Annie Leverette is ill in the home of her daughter Mrs. Mary Ellen Lewis near Tie Plant. Visiting her during the weekend were her children and grand children Mr. and

Mrs. Carl Leverette, George Leverette and daughters.

Mrs. W. M. Rook and Mrs. George Leverette attended Holy Week Revival Services in Methodist Church in Grenada on Friday night.

Louis Middleton will enter the youth playing class at the District Music Festival held in Grenada First Baptist Church April 14. Lynne is the daughter of Rev. G. H. Middleton, pastor of Pleasant Grove Church.

Easter guests of Mr. and Mrs. P. R. McMahan included Mr. and Mrs. Bob by Sykes, their baby, and Mr. and Mrs. Billy McMahan of Grenada.

Mr. and Mrs. Billy Brannon and daughter of Jackson are spending this week with their parents and grandparents, Mr. and Mrs. H. T. Brannon.

Mrs. Bennie Searcy, Jackson and Helen James of Edwards were guests of Mr. and Mrs. H. I. James Sr. During their weekend visit they attended Easter services in Pleasant Grove Church and visited their new nephew, son of Mr. and Mrs. Curtis James Jr. of Eupora, Route 3.

Primary Sunday School Class Honored With Egg Hunt

A hunt for brightly colored Easter eggs was participated in on the afternoon of April 9 by members of the primary Sunday School class of Provident Church when they were honored by their teacher, Mrs. Talford Worsham at her home.

The guests were entertained by Martha Ann Worsham and Mary Edna Whitmore in the story telling of "The Golden Egg" and "A Lonely Old Woman and a Lonely Old Man" while Geneva Worsham and Mary Lynne Brown led the song.

Helen James received a Rabbit and eggs which she found the latest number of eggs.

Favors of plastic chickens with eggs were presented each child. The hostesses served ice cream, cookies and red grape drinks to the following members: Elsie and Jimmie Pylon, Joe and Buddy Marter, Linda and Reuben James, Charles Abel and Marcel Worsham.

Choir Practice

There will be choir practice in Pleasant Grove Church each Wednesday night at 8 o'clock. All interested people throughout the community are invited to come and practice at this time.

CORRECTION: Mr. and Mrs. Ray Cohea and family DID NOT move back to the community as stated in this column last week. They decided to remain at their present place of abode before the moving was completed. This humble reporter regrets this error.

What Soil And Water Conservation Means To Me and My Family

Since the beginning of the struggle between the Shepherd and the Farmer mankind has constantly striven to make his living from the dust of the earth.

Soil conservation is the proper use and care of our land. All conservation measures that help keep the land productive are tools of soil conservation. Having acquired some land of our own, we decided to work this land. We attempted a vegetable garden. Our vegetables were burned and choked by hidden grasses and weeds, as well as the usual sun heat.

Like the Biblical rich find in the historic Garden of Eden, where hidden oil producing escaping gas that caught fire and created the famous fiery furnace, is today being restored to more than its former productivity because of modern civilization's knowledge of soil conservation. Now my garden is planted according to season and the proper crop. Instead of burning the dry grass it is being cut into

the soil at intervals.

Even this has not made an all clear on our land. While my family is well aware that Rome was not built in a day, we plan with patient wisdom to continue to terrace, contour plow, crop rotate, plant legumes, shrubs, use proper drainage for too wet land and for the too dry - irrigation.

GRENADA GIRLS WIN HONORS

We add our congratulations to those of other friends, to Misses Libby Lake, Sandra Paschal and Martha Page for receiving superior rating in the Piano Festival at the University of Mississippi on April 9.

Miss Page received superior rating on her Senior Sonata and Misses Lake and Paschal received superior rating in the Freshman-Sophomore Duo.

Another Grenada girl of whom we are justly proud is Cynthia Dubard, daughter of Mr. and Mrs. L. A. Dubard Jr. who is champion speller of Grenada County. George Kent son of Mr. and Mrs. Spivey Kent was runner up.

Mrs. A. F. McElwee and son Steven of Pittman, N. J. are guests of their parents, Mr. and Mrs. Joe B. Williams Sr.

ON DEANS' LIST

Miss Ann Kent, daughter of Mr. and Mrs. Spivey Kent of Grenada was named on the Deans list for compiling high grades at Miss. Southern College at Hattiesburg last week. She is a junior.

Mrs. W. H. Cann of Columbus, Ohio was the guest last week of her son Mr. James Cann and wife.

Guests of Mr. and Mrs. Hugh Stanfill Jr. last weekend included Mrs. Stanfill's brother, Lt. Col. John H. Klaas and family of Washington, D. C. and sister, Mrs. Edith Rawls of Mobile.

Orman Kimbrough Jr. who has visited friends in New York City and later his parents and other relatives

here the past 2 weeks will report to Camp Chaffee, Ark. this week.

CHAPEL HILL H. D. CLUB MET
Members of the Chapel Hill Home Demonstration Club met in the home of Mrs. Madge Woods with 8 members and 1 visitor present. The visitor was Mrs. Phillips of Eupora.

After roll call, a business session was called and Mrs. Stewart Woods and Mrs. Childs demonstrated trimming hats and aprons. Miss Gretelle Childs read a recipe and led the contest which was won by Mrs. Stewart Wood winning the prize. The next meeting will be held at Mrs. Stewart Woods.

Easter guests of Mrs. E. L. Wilkins were her children, Mrs. John Salmon of Chicago and children; Mr. and Mrs. Ben Kavanaugh and children of Winona, and Mrs. DeMerville and children from Egypt, Miss.

Mr. and Mrs. Robert Bienz Jr. and

little daughter of Clarksdale spent Easter weekend here with their parents.

Mr. and Mrs. J. J. Nichols left last Friday to spend two weeks with their children. Mr. and Mrs. Ralph Davis at Ashland, Ky. Mrs. Davis and little son, Jeff, will come home with them for a visit.

Mr. and Mrs. Marshall Perry and two children visited their mother and grandmother, Mrs. Frank Belk in Oxford Easter weekend.

Of Mice and Medicine

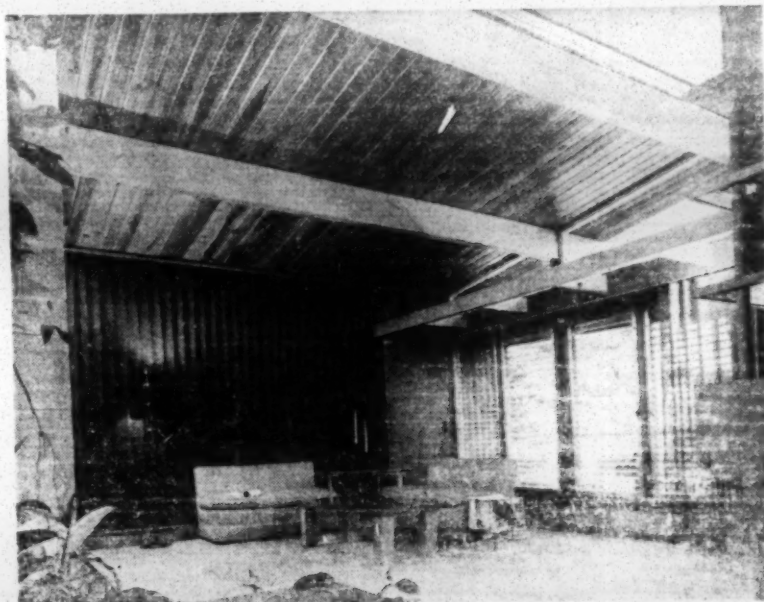

The mouse was one of the most ancient of medicines and was employed for over sixty centuries. Prescribed by Pliny in his *Natural History*, the mouse (or its parts) was recommended for the bites of serpents, the stings of scorpions, halitosis, and gout.

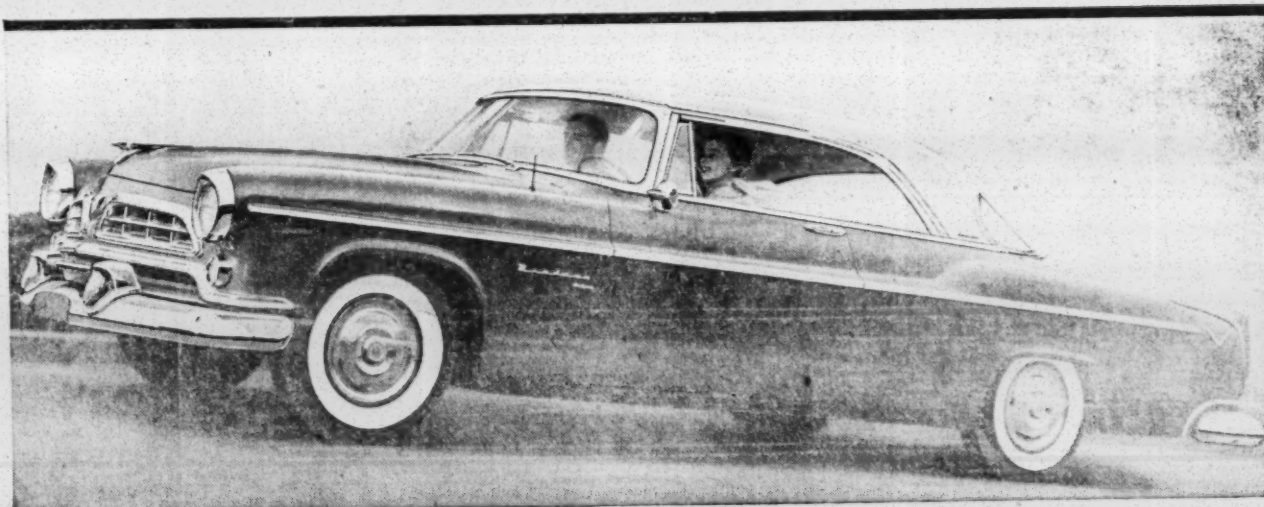

False medical beliefs die slowly. Today, however, you can depend upon your family physician for up-to-date information concerning drugs and their therapeutic value. Depend upon us to fill your prescriptions.

There is nothing more relaxing and softer to the eye than the warm, inviting interior. Southern Pine paneling such as that depicted will bring Nature's beauty into your living room, adding also extra warmth and friendliness. Wood paneling is durable, Southern Pine is tough, not easily blemished, and your walls will not show stains, fingerprints and smudges. Cleaning problems are simplified. Today, Southern Pine is available in ample supplies and is available to builders throughout the area, another product of the member mills of the Mississippi Pine Manufacturers Association.

NOTE OF THANKS

I wish to express my appreciation and heartfelt thanks to my many friends who have remembered me so graciously. Your cards, thoughts and prayers have been a comfort to me. I am indeed receiving my flowers now while I can enjoy them.

My "writing exercise" is limited, and so I can not write to each one as I wish, they keep us busy eating and resting. Please accept this means of

saying, thank you, until I can see you in person, which I hope will not be too long.
